Hey Sarah,

Just wanted to give you a heads up that they have now set up a shooting range in the greenway.

Also, Frank was asking for an update on brush removal/park clean up etc. I know you guys are crazy busy but I wanted to ask if this project has been put on hold because of COVID or not. Any information that I can relay I would really appreciate.

Thanks!!

- Cait

Thank you both for addressing this issue. I think now with shelter in place we are home and are witnessing more of the illegal activities that go on inside the greenway. Any update on the private security that was planned to support LAPD with the surveillance of the greenway? Or has this been put on hold for now?

Thank you for sending this over.

Frank,

I will follow up with Sanitation and see where they are with the repairs.

Thank you. We will continue to monitor.

Caitlin,

Can you please have GAP clean up the park. I was there this week and GAP or someone was installing locks on the new gates. The repairs are starting and it looks good.

Thanks,
Frank

Officer Lopez,

Just wanted to alert you to the "shooting range" that's been setup in the greenway. As you can see from the photos there are various bottles, cans and targets set up right in front of the tents on McCoy. Sorry the photos are not the best but I didn't want to get too close.

My neighbors and I hear gunfire just before it gets dark almost every night. Although we not sure where it's coming from, we suspect some of it is from the "shooting range".

Regards,
Beulah
